Bocca, our beloved Great Pyrenees, died on August 17th, 2021. Bocca visited patients for several years at Huntsman Cancer Hospital and as a R.E.A.D. dog at Anderson Foothill Library with my daughter Lauren. We remain proud and amazed by her gentle, intuitive, healing ways, and she so loved her job. We are grateful for the opportunity to share bocca with others as an ITA therapy team, and will be forever grateful to Bocca for the good work she did on this earth. RIP Bocca Bee. And thank you, ITA.
