Dear Kathy and the entire ITA Staff,
On behalf of Mutts on a Mission, Inc., enclosed is a check for \$1,000. This represents the Mutts celebrating and honoring the wonderful work you do and have done since your inception. Intermountain Therapy Animals has touched so many lives by training individuals to be great therapy teams, and by giving us the opportunity to form our own organizations and carry the ITA message throughout the United States.

Mutts on a Mission will continue to do our work in Arizona. We have started a relationship with the USO and are looking forward to bringing joy to our brave men and women in uniform.

With deepest gratitude,

- Kathleen Molony, Elaine Reilly, Kathleen Tryfyer, and Candy Lawson, Officers
Mutts on a Mission
Goodyear, AZ

"During my treatment some admissions were five days of chemotherapy overnight in the hospital. During one particularly tough round when I was feeling overwhelmed Dresden came by. She immediately sensed I was distraught so she curled right up on my lap. She lifted my spirits enough to help me get through the next couple days. From then on getting to see Dresden was one of the few things I could take solace in as I went through the rest of the chemo."
