## R.E.A.D. on NBC News Kids Edition!

On February 28, the R.E.A.D. program was featured in a lengthy piece on NBC Nightly News with Lester Holt – Kids Edition. It was very nice indeed, the first time in a long time R.E.A.D. has received high-profile coverage!

You can enjoy it too, by copying and pasting the following link:

Or, just Google NBC News for Kids and it will pop up immediately.

Big thanks to Nancy George-Michalson, director of New York Therapy Animals, and Susan Zizmor & Arrow for rising to the hurried, last-minute assignment (news shows are always in a hurry!).
